

Connecting to eduroam using Windows Phone

There isn't an automatic way to connect a Windows phone to eduroam, however connection is simple -

1. Go to Settings -> Wi-Fi
2. Tap eduroam and enter the following details:
 - a. Connect using: Your College username and password
 - b. Username: username@eastleigh.ac.uk
 - c. Password: Your password
 - d. Server Certificate Validation: None
 - e. EAP Method: PEAP MS-CHAP v2
